

LANTERNS LIGHTS & 'LUMINATIONS

Join in the workshops and fall in with the parade!
Let your lights shine as part of Brixham's
lanterns, lights and 'luminations festival.

BRIXHAM CHRISTMAS ILLUMINATIONS

LANTERNS, LIGHTS AND 'LUMINATIONS

Join us as we celebrate the switch on of the Brixham Christmas Illuminations with a spectacular parade of lanterns followed by a pyrotechnics show as fireworks are blasted into the night sky, a display that has become the highlight of the Christmas festivities in the bay. On November 23rd the parade will start at The Quay at 4.00pm and make its way through the town via Fore Street, to return to The Quay.

THE PARADE

The parade will start at The Quay at 4.00pm and make its way through the town via The Strand, Fore Street, Market Street and Middle Street returning to The Quay in time for the harbour switch on and fireworks.

This will be a first for Brixham as, with the support of the Chamber of Commerce, Brixham Town Council has introduced the parade to enhance the much loved Christmas Market and fireworks. From noon there will be hot food on sale on the quayside, children's fairground rides, face painting as well as the fascinating lanterns passing by.

THE LANTERNS

All lanterns must be lit by battery operated lights. Battery operated tea lights will be sold at cost price (70p) from the following shops and offices:

Brixham Town Council, Town Hall, New Road • Sheepskin and Suede, Middle Street
ITTQ, Bolton Street • Kaba Kaboo, Fore Street • Eden Park Primary School

Based on recycling, the lanterns will be made from plastic milk cartons, bottles, jam jars etc. So we need your unwanted tissue paper, ribbon, paper lampshades or plastic cartons for the lantern making workshops. Please take your recycled items to Sheepskin and Suede Shop in Middle Street or Brixham Town Council office in the Town Hall, New Road.

Let your lights shine
