Why should I care about shopping local?

If every adult in Brixham spent £5 a week extra in Brixham rather than out of town or online, it would mean more than £3 million per year extra going in to the local economy, which leads to:

- more jobs
- better facilities
- and a nicer place for us all to live

Makes you think, doesn't it?

Thank you for supporting Brixham businesses

We wish you a very merry Christmas
and a
healthy, happy and prosperous 2015!
